Overview

Description and Specifications:

The Office of the Chief Procurement Officer for the Capital Development Board will hold a public hearing to hear testimony and receive comments on the proposed extension of the procurement of Loescher Heating and Air Conditioning for the Installation of an Electrical Condensate Pump at Dixon Correctional Center.

This hearing will be held at 2:00 pm (CST) on Thursday, August 9, 2012, at the following location:

Room 511 Stratton Building
401 S. Spring St.
Springfield, IL 62706.

Please note that a prior hearing was held for the purposes of extending KJWW Engineering Consultants to November 1, 2012; KJWW Engineering Consultants is providing engineering services for this emergency.

Key Information

Notice Type:	Emergency Procurement
Notice Stage:	Notice of Hearing
Does this addendum add/or change vendor(s) information? (i.e. vendor name/address, contact information, and/or award amount, etc.)?	No
Notice Expiration Date:	08/09/2012 MM/DD/YYYY
Emergency Justification:	At the Dixon Correctional Center, the two steam driven vacuum condensate return pumps have failed. These two pumps return the steam condensate to the boilers in the powerhouse. The failure requires the addition of untreated

water to allow for continued steam generation. Untreated water causes damage to and shortens the life of the boiler system. Dixon Correctional Center requests emergency assistance in order to ensure winter heating, domestic hot water, dietary and cooling in the summer months if the boilers must be shut down.
